EDUCATION

2022 - 2026

SIDDHARTHA INSTITUTE OF TECHNOLOGY AND SCIENCES

- BTech,CSE
- CGPA: 7.69

2020 - 2022

SRI VEDA JUNIOR COLLEGE

- Senior Secondary
- CGPA: 7.29

SKILLS

- Python(Django)
- Java
- HTML
- SQL
- Cryptography
- Block Chain Technology
- Computer Networks
- Cloud Computing

SOFT SKILLS

- Problem-Solving
- Communication
- Adaptability
- Team Collaboration

LANGUAGES

- English
- Hindi
- Telugu

MANOJ KUMAR BODDU

COMPUTER SCIENCE AND ENGINEERING – CYBER SECURITY

PROFILE

Cybersecurity-driven Computer Science student skilled in Python, Java, and secure coding practices, with hands-on experience in real-world projects and internship-based training.

Seeking an entry-level role where I can apply my expertise in developing secure, efficient software solutions and contribute to protecting digital assets while growing my technical and professional skills.

PROJECTS

Django-Based Personal Portfolio Website

- Built a dynamic portfolio website using the **Django web framework** for backend and project management.
- Showcased personal **projects, skills**, and **certifications** through a clean and responsive UI.
- Deployed on Render**, enabling **live hosting, cross-device compatibility**, and **easy access** for recruiters and users.

Currency Converter using Python and Tkinter

- Built a **Python**-based GUI using **Tkinter** for real-time currency conversion.
- Fetches live exchange rates using **ExchangeRate-API** and **requests library**.
- Added input validation and error handling for reliable user interaction

CERTIFICATIONS

- Infotact Solutions** – Python Development
- IBM** – AI Fundamentals
- IBM** – Cybersecurity Fundamentals
- CodeAlpha** – Cybersecurity Internship

INTERNSHIP

Python Development Intern – Infotact Solutions

Remote |  December 2024 – February 2025

- Developed a GUI-based currency converter using Python and Tkinter for real-time conversions.
- Integrated ExchangeRate-API using the requests library to fetch live exchange rates.
- Implemented input validation and exception handling to ensure smooth user experience and accurate results.
